

Preparing the Altar

Servers prepare the altar by placing on the altar the:

**corporal,
chalice and purifier
Sacramentary**

And then assisting with the:

**crucets of wine and water,
and washing the hands of the priest.**

First place the corporal on the altar.	Place the corporal
Second, place the Sacramentary on one side of the altar. Place the empty chalice with the purifier on the other side of the altar.	Place: Sacramentary Chalice Purifier
Servers sometimes will bring the water and wine directly to the altar after meeting the Procession of Gifts with the priest. A server takes the collection to the usual place.	Meet procession Place gifts
When holding the cruetts of water and wine, remove the tops before presenting them to the priest.	Prepare water and wine to give to priest
Bring the jug, basin and towel to the priest. If there is only one server place the towel over the arm. Pour the water over the priest's hands.	Bring pitcher, basin and towel to priest
Following Communion, the Sacramentary, corporal, purifier and any remaining vessels are taken to the side table	After Communion: remove vessels to side table
